Deutsche Bank's Free Money for Investors Deutsche Bank, the German-based banking giant, started in 1871 with a humble beginnings as a finance and investment firm serving only the Prussian Kingdom. Over the years, the bank acquired other banks such as Dresdner Bank and Commerzbank. The bank is one of the most venerable institutions of Germany and it operates through five different business units; retail banking, corporate and investment banking, private banking, asset management, and securities services. It is one of the largest banks in the world by market capitalization, giving it a strong competitive advantage in the global financial markets. The firm was founded by a group of talented individuals, mainly brothers Carl and Caspar Goldmann who later became the heads of the bank after their father, Gottlieb, died. On November 30, 2012, the duo stepped down from their office and handed over the steering wheel to the new management team. The bank's revenue grew by 46% in 2013, and its net income increased by 32% in 2012 and 32% in the first quarter of 2013. (Bloomberg) The bank also posted a 20% jump in profit from the first quarter of 2012 to the same period in 2013. The bank's revenue grew by 31% in 2013, while net income increased by 24% in the first quarter of 2013. The rising profits reflected the revenues and strong growth in business volumes. The commercial banking business segment generated revenues of €9.4bn in 2013, up from €8.5bn in 2012. Its assets under management rose from €633.5bn to €750.5bn over the same period. (Deutsche Bank) Deutsche Bank's Retail Banking Business Deutsche Bank offers a wide range of financial products and services to individuals, businesses, and institutions. These include personal and commercial banking, asset management services, capital markets, and insurance. The bank has a strong customer base across the world with revenues of €37.5bn and assets under management of more than €1tn. Deutsche Bank's retail banking business is the largest segment. It serves more than 5 million customers with a network of about 3,000 branches, across the world. The bank offers the usual range of services from savings and loan to high-yield deposit f678ea9f9e
